LEE/SHOEMAKER TEAM COUNSELS BECKER MORGAN GROUP IN TRANSACTION WITH ADAMS & HODGE ENGINEERING

Becker Morgan Group, Inc., a full-service multi-discipline design firm with Mid-Atlantic roots, has acquired North Carolina-based Adams & Hodge Engineering, PC, expanding its East Coast presence and its ability to service clients in the Carolinas.

Since 2015, Adams & Hodge has provided quality services to clients seeking solutions to complex land development design and construction management demands. Donnie Adams, PE, President of Adams & Hodge, shared his excitement: "This collaboration with Becker Morgan Group presents an exciting opportunity to merge our strengths, leverage shared expertise, and deliver enhanced value to our clients. I'm confident that our team will benefit from seamless integration and additional avenues for professional and personal advancement."

Becker Morgan Group described the acquisition as being a pivotal moment in its ongoing strategic growth initiatives. "We deeply respect the technical expertise of the Adams & Hodge team. Their strong reputation in the Raleigh area reflects their extensive experience and commitment to fostering client relationships. We are excited to welcome them to the Becker Morgan Group," commented J. Michael Riemann, PE, Vice President and Principal-in-Charge of Becker Morgan Group's civil engineering department and land development practice, recognizing the value of Adams & Hodge's client-centered approach.

Lee/Shoemaker PLLC counseled Becker Morgan Group through the transaction. The Lee/Shoemaker team was led by Taylor T. Dolan. Lee/Shoemaker PLLC is dedicated to representing buyer and seller firms in the architecture and engineering industries in merger and acquisition transactions as well as internal ownership transitions.
